Title VI - Native American/Alaskan Native Procedure for Credit Recovery Packet Payment

- Does the student have certification in the “Indian Cert” box in Skyward?
- Has the student met with his/her Native American Mentor?
- Does the counselor have a plan for completion of packets for the student?
- Do both the counselor and the student have the express approval for packet payment by your school’s Native American Mentor?

If any of the above are a “no” then contact your school’s Native American Mentor.

If all of the above are a “yes” then, give the student one packet, and send an invoice through district mail to:
